Breaking New Ground: *Building Resilience Today for Improved Global Food Systems Tomorrow*

Q&A for "Roundtable | Reconstructing Equity and Access in Food Systems"

Question	Asked By	Votes
What have been the most effective ways, in the past, of preventing economic shocks from devastating those most vulnerable? Have there been certain struggling societies, during COVID-19, that were relatively immune to the economic shock of the virus?	Maya Jyothinagaram	6
The Center on Conflict and Development at Texas A&M is looking at issues in food justice. How can food assistance satisfy food preferences across diverse food preferences in multicultural communities.	Edwin Price	2
How can food system restructuring help to reduce the marginalization of women, BIPOC, and/or the LGBTQ+ community?	Kate Keresztes	5
How can people, as 'average citizens,' try to make the kinds of large, lasting change we need? How can youth effectively get involved?	Kate Keresztes	1
While the high level conversation is interesting & important, I am interested in a first-person perspective from the ground on specific challenges and needs for women in Africa on these topics	Mary Boote	1
