We are again excited to present a diverse array of keynote speakers, with dynamic workshops, roundtable participants and interactive sessions from October 20 - 22, 2021.

UPON THE \$195 REGISTRATION, VIRTUAL ATTENDEES WILL HAVE:

- Access to the Borlaug Dialogue Virtual Event Hub with online content before and during the event
- Ability to watch and interact with all Borlaug Dialogue virtual roundtables and workshops LIVE
- Networking opportunities with fellow virtual attendees from around the world
- Interactive networking sessions with World Food Prize Laureates
- Over 30 virtual side events hosted by various organizations during the week
- Access to Borlaug Dialogue recordings and virtual platform for 6 months following the event

As in 2020, we are presenting an agenda filled with groundbreaking topics, top-notch speakers, and critically important discussions.
