Breaking New Ground: *Building Resilience Today for Improved Global Food Systems Tomorrow*

Valeria Gutierrez

Hello, my name is Valeria Gutierrez, I am a junior from the Chicago High School for Agricultural Sciences, and I am excited to learn more about these important topics.

Ellen Franzenburg

King Abdullah II: "As long as hunger and food scarcity exist, we still have work to do."

King Abdullah II: "The question isn't whether to act, the question is what kind of action will take us where we want to go."

Lauren Moses

Hi! My name is Lauren Moses, I am a junior at Snow Hill High School! I'm so excited to learn more from the keynote speakers!!

Ella McConnell

Hi! My name is Ella McConnell, and I am a student delegate at the Global Youth Institute. I am a senior at Maclay High School in Florida, and I can't wait to hear these incredible speakers and explore future solutions to food insecurity.

Ellen Franzenburg

King Abdullah II: "At a time when so much resources are being invested into arms, let's prioritize the health of people."

Anita Zahiri (she/her)

Hi everyone! My name is Anita Zahiri, and I'm a junior at Benjamin Franklin High School in New Orleans, Louisiana. I'm excited to learn about the future of food security and what steps we need to take in our local and global communities to secure food security!

Landis Crawford

Hello, I'm Landis and a GYI delegate from Pennsylvania. I'm excited to learn from all the speakers!

Ellen Franzenburg

King Abdullah II: "Responding to global threats means recalibrating our systems."

Aryahi Gupta

Hello! My name is Aryahi Gupta and I'm a 2020 Borlaug Scholar. I'm a freshman at Canyon Crest Academy in San Diego, California. I'm excited to learn about all the ways we can help better the world!

Breaking New Ground: *Building Resilience Today for Improved Global Food Systems Tomorrow*

Ellen Franzenburg

Barbara Stinson: "We cannot wait for perfection. It will take too long to get to perfection. We need to act now."

Roundtable 3: "We must have the imagination to be able to inject nutrition issues into the new spaces. Nutrition must be at the forefront."

Ali Ali

Hi everyone! I'm a GYI delegate from Bahrain. I'm so excited to know more about all of your proposals!!

Ellen Franzenburg

Roundtable 3: "In our lifetimes, 75% of agricultural lands need to be producing nutritious foods."

Amy Bettle

Hi, Gabriel! My regrets we can't meet in person this year, but I hope you and your team are well!

Lindsey Berebitsky

Round of applause for the GYI delegates!

Nick Battles

Yes! GYI Delegates having an impact!

Ellen Franzenburg

Barbara Stinson: "The work and the voices of all our young delegates will be summarized in a white paper. These students are articulating a vision and a future for food systems, and we are going to listen."

Gabriela Cruz

Hi Everybody I am a farmer in Portugal. I have learnt so much by attending to such important testimonies and discussion on how to provide healthy food in the Worlds, specially in the countries that need the most. COVID19 pandemic showed how important farmers are.

Isabella Scramoncin

Hi everyone! my name is Isabella Scramoncin and I am a GYI Youth Delegate from Windermere Florida. I am so excited to listen to such incredible speakers, these speakers are so inspiring and i am so glad to be able to listen to this dialogue!
